Subject.

Letter No1257 dated the 30th April 1903 from the Senior Surgeon and Sanitary Commissioner with the Government of Mysore, in re compensation for the lands belonging to one Veerabhadra Chetty ~~and~~ on which health sheds were built in the Ban-galore City.

Note.

With the letter cited above the Senior Surgeon forwards a ~~statement~~ Statement showing the amount of compensation , viz, Rs1424, claimed by Veerabhadra Chetty referred to above on account of loss of crops for four years from 1899 to 1902, on his lands situated in survey No 8 and 9, Hanumanthapur village, Bangalore taluk, on which health sheds were erected. Further he states that he put himself in communication with the Dy. Commr, Ban-galore district, on the subject and recommends that compensation calculated at Rs20 per acre or Rs712 may be sanctioned in full adjustment of the claim up to the end of the year 1902.

2 No reason is assigned for the application not having been made earlier.

3 Mr.Puttanna Chetty on whose lands such sheds were erected, was paid at Rs40 per acre; while Sowcar Mohadin sab and others of the Mysore City were paid at Rs10 per acre.

6. The Senior Surgeon was requested in this office

S.W.12 No. 16812/dk/1803 dated the 26th May 1903, to submit a detailed report on the points referred to in para (4) of the note.

7 In reply the Senior Surgeon, with his docket No. 476/P dated the 29th August 1903, forwards copy of docket No. 510 dated the 17 August 1903, from the President, City Municipality, Bangalore, who reports that the land in question was taken up by the Dy Comm. Bangalore Distt in the year 1898 for the Epidemic Diseases Hospital and Contract camp and that there are at present on the above Survey Nos. 8 & 9, 19 Zinc sheds of the Epidemic Diseases Hospital and 33 of the Contract Camp. He further states that the Compensation, ~~amount~~, viz Rs 356/- for loss of crops for the 1st year, i.e., for the year 1898-99 was paid in March 1899 and that the delay in claiming the amount for the subsequent period was due to the land holders' continued illness and absence from the place on account of some domestic inconvenience

X This correction is correct as the man is employed as Head Record Keeper Central Reco. Ds, Namdroog Hqrs Division Mitgal Coord.

As regards the question why the land was not made over to or taken charge of by the owner as soon as the sheds were removed, the president suggests that the land referred to be acquired at once as it is permanently required for the use of the Epidemic Diseases Hospital & that this should have been done earlier as the amount of compensation is very high.

8. With reference to para 2 of Govt. proc. No. 1868-5 dtd 18-5-99 dated the 29th June 1902, asking the president to report the number of such cases still pending disposal, he states that a further report will be submitted on this point as soon as information is received from the Auditor of the Bangalore Circle.

X

Govt. 9. The lands were acquired as in 1899 as temporary measure in 1898 for the formation of the Plague Camp and a compensation of Rs 356 (at 40 Rs per acre) was paid to the owner thereof for one year. The present claim is for compensation for 4 years at the above rate which amounts to Rs 1424/.

is rather [illegible], as sum of Rs 712/. may be sanctioned for the purpose upto the end of the year 1902-3. There is nothing to show whether Veerabhadra Chetty (a Municipal Commissioner) has consented to receive this sum. If he does not, the Govt. will be put to a further loss of Rs 712/. Knowing as the President did, that the land cannot be given up, at any rate for some years, he ought to have made arrangements for the permanent acquisition of the lands in question. He may not be called upon to do so without further loss of time. Submitted for orders with draft.

No. 1257 P&I.
Dated 30th April 1903.

SIR, -

In forwarding herewith a statement showing the amount of compensation claimed by one Veerabhadra Chetty an account of the loss of crops for four years from 1899 to 1902, on Survey No.8 and 9 in Hanumanthapur village, in the Bangalore Taluk, on which health sheds were erected near the Magadi Road Plague Camp, I have the honor to state that I put myself in communication with the Deputy Commissioner, Bangalore District, as regards the validity or otherwise of the claim and arrived at the conclusion that a sum of Rs.20/- per acre per year, is a decent sum to compensate the loss incurred by the owner of the land and that the rate allowed for the first year viz;at Rs.40/- per acre was rather high and to request that you will be so good as to obtain the sanction of Government to a sum of Rs.712/- in full adjustment of his claim upto the end of the year 1902.

Enclosure No.

His memo No.1430 dated the 6th June last forwarding for report a copy of docket No.16812/L.B.(P)803 dated the 26th May 1903, requesting information on certain points connected with the payment of compensation to Veerabhadra Chetty.

In reply, has the honor to state that survey Nos.8 & 9 of Hanumanthapur Village, Bangalore Taluk measuring 8 acres and 36 guntas in all were taken by the Deputy Commissioner, Bangalore District in the year 1898 for the Epidemic Diseases Hospital and contact camp. There are at present on the above said survey Nos.19 zinc sheds of the Epidemic Diseases Hospital and 33 of the contact camp. Mr. B.Ccoppoosami Nadu, late 1st General

General Assistant Commissioner of the Bangalore District settled compensation for loss of crops of the land @ ₹40 per acre per annum.

The compensation for loss of crop of the first year 1898-99 viz;Rs.356/- was paid in March 1899, as required by the Deputy Commissioner in his docket No.1247 dated 17th March 1899. The delay in claiming the amount for the subsequent year is stated by the land holder, to be due to his continued illness and absence from the place on account of some domestic inconveniences. The amount now claimed by the owner of the land viz; Rs.1,424/- relates to the loss of crop sustained by him for the last 4 years ending with 1902-03. As the amount of compensation was very high, the land ought to have been acquired earlier. This land would be required perranently for the use of the Epidemic Diseases Hospital. It is therefore advisable to acquire the same at once.

A reference has been made to the Amildar of the Bangalore Taluk, requesting to furnish information called for in para 2 of Government Proceedings No.18694-5/L.B.(P 1851 dated the 29th May 1902, as it is not available in this office. On receipt of reply a further report will be forwarded.

22-P-02 Correspondence ending with docket No.476P. dated the 29th Aug. 1903, from the Senior Surgeon and Sanitary Commr. with the Govt. of Mysore, submitting a compensation statement amounting to Rs1424 claimed by one Veerabhadra Chetty, on account of loss of crops for 4 years, from 1899 to 1902 on his lands, measuring 8 acres and 36 guntas, situated in survey Nos.8 and 9, Hanumanthapur village, Bangalore taluk, on which sheds were erected on the Irregadi Road Plague Camp in the Bangalore city, and recommending that a sum of Rs712 may be sanctioned in full adjustment of the claim, up to the end of the year 1902, calculated at Rs20 per acre in lieu of Rs40 claimed by the owner, which is considered to be an excessively high rate.

Order thereon No. MP 445-6 23/10/03

The payment of compensation of Rs712 recommended in the above from the Plague Funds is sanctioned with the observation that as the land in question is reported to be required permanently for the Epidemic Diseases Hospital, steps should at once be taken for its early acquisition for a reasonable sum and the source from which the cost can be met should be specified.
